

**SUNDAY, JUNE 18 THRU FRIDAY, JUNE 23, 2017**

## **VISION**

### **Why are we doing this?**

In student ministries we want to give our students an opportunity for mission work and service. This will in turn help them grow towards The Lord and each other. Our goal is to love them where they are, but love them too much to let them stay there. Project Shine is now a part of our strategy to help us accomplish our mission to train up fully devoted followers of Jesus Christ that are ready to face the real world and not walk away from their faith in their early 20's.

## **PROJECTS**

Some Project Shine crews will embark on a week long adventure of painting an entire house in one week, with 2 coats of paint. Some crews will work at multiple sites doing any of the following projects: paint or stain a deck, garage paint, yard work, interior painting, hanging drywall or hanging siding, painting the block foundation of a house, etc.

## **THE BENEFITS OF A WEEK OF PROJECT SHINE**

- **Praise and Worship** - Each evening students are led in an exciting and energetic praise and worship service that will uplift them through song and prepare them for a challenging message that they can apply to their lives and grow closer to God.
- **Work Ethic** - With adult leadership, students will learn about hard work, serving others and special skills such as painting, installing windows and siding, roofing, yard work and paying attention to detail.
- **Teamwork** - Students are placed on work crews with the same students and adults for the entire week thus revealing how God can use them together to accomplish large jobs such as painting a whole house in less than one week.
- **Fun** - Project Shine participants get a day off in the middle of the week for relaxation and fun at a local swim park with slides, volleyball, mini golf, and a picnic. In addition, one evening during the week Project Shine sponsors a community celebration that includes blow up rides, games, crafts and a carnival like atmosphere.
